To whom it may concern:

Please be advised that the Syracuse Regional Airport Authority has not had an independent audit conducted as of the filing of this report. The legislation enabling the creation of the SRAA was signed into law in August 2011. The Audit Committee was established, and is currently drafting a Request for Proposals for Auditing Services. The RFP will require an audit of the fiscal year ending June 30, 2012.

The finalized audit will be filed with the ABO via PARIS upon completion.
